P N N ? PNN?

USSB Representatives Barry, Christie, Cintron-Ortiz, and Rosenberg reported on efforts of student leaders across the system to engage and collaborate with campus administrators to enhance the student experience. Chair Eastwood thanked the students for their service and expressed her willingness to serve as a resource for the USSB.

N N R b

An annual update on student mental health was presented by campus student life leaders: Kenneth Holmes, UNH senior vice provost for student life; Marney Buss, KSC dean of students; Jennifer Ferrell, KSC associate vice president for student engagement; Robert Orf, PSU Counseling Center director; and Shari Robinson, assistant vice provost for student life. The information addressed student demand and delivery of campus services. The framework for a pending request by the USNH Behavioral Health Roundtable for investment in campus mental health services
