Mr. O'Quinn commented on the market environment for the period ending January 31, 2024, noting that the economy has remained robust, and the markets have been strong. He reviewed the portfolio performance results for the period ending January 2024. He said the market value of the portfolio was \$598 million, and the portfolio had a return for the month of .7%, and 5.6% for the fiscal year to date. He noted that as of February the portfolio had grown to over \$600M. He reviewed performance by sector and noted the lag in reporting on private equity investments and said the performance for those investments is as of September 2023.

Mr. Jarry reviewed the short-term operating portfolio for the period ending January 31, 2024. He said the return for the month was .5% and 4.2% for the fiscal year to date total return. He said the portfolio value at the end of January was \$340 million.

Mr. O'Quinn reviewed asset allocation and expected returns on the endowment investment portfolio. He said Prime Buchholz works with USNH to set long-term expectations for budget planning. He said Prime Buchholz's 8.4% return assumption for the endowment's asset mix is based on their 2024 risk & return assumptions and remains supportive of the USNH 7.0% return budget assumption. Chairman Rutman asked for a comparison of USNH returns with those of the NACUBO endowment study and other benchmark groups Prime Buchholz tracks going forward.

Mr. O'Quinn called attention to the actions taken by Prime Buchholz since the last meeting.

ANNUAL REVIEW OF INVESTMENT POLICIES AND GUIDELINES

VOTED, on recommendation of the Treasurer, that the proposed revisions to the Investment Guidelines, included in the Committee materials and as revised at the meeting at the meeting be approved.

{The Committee voted unanimously in favor of this motion}

Assistant Vice Chancellor for Financial Affairs, Karen Benincasa said the USNH Treasurer's Office has reviewed the current Investment Policies and Guidelines, consulted with USNH Outsourced Chief Investment Officer, Prime Buchholz, and has no recommended changes to the Investment Policy but has recommendations for modifications to the guidelines. She reviewed the proposed modifications as summarized in the meeting materials.

Chairman Rutman asked that the guidelines include a requirement that the OCIO reports to the Committee at each meeting if investments are out of the target range, both for individual managers and asset classes. He also asked that USNH Treasurer's Office provide notice at each meeting to the Committee if they are or expect to go below 60 days cash on hand target.

CAPITAL PLANNING ITEMS

COMMITTEE'S FIRST REVIEW OF FUTURE PROJECTS REQUIRING BOT APPROVAL

The following projects were presented to the Committee for a first review.

VOTED, on recommendation of the Presidents' Council, that the following motion be approved by the Investments and Capital Planning Committee for recommendation to the Full Board of Trustees

MOVED, on recommendation of the Investment and Capital Planning Committee, that the six-year capital projects plan for FY26-FY31 as described in the attached document be approved **AND FURTHER**, that the Chief Administrative Officer is authorized to adjust the request, if needed, after consultation with the Presidents' Council and BOT leadership, as well as prepare the final documents for submission to the NH Department of Administrative Services by April 12, 2024

{The Committee voted unanimously in favor of this motion }

Vice Chancellor Provencher presented the State Capital Appropriation request for FY26 to FY31. She said the six-year request totals \$70 million dollars with \$20 million requested for FY26-FY27. She said the request includes projects on all the campuses and reviewed the projects and allocation of funding. She noted that the request is due to the State on April 12 and will require approval of the Full Board of Trustees. She explained how the Presidents' Council arrived at the amount, noting that it increases in each biennium but understands the State's competing demands.

Trustee Hansel said he supports the request, and appreciates the need for eliminating deferred maintenance, but would like to see more aspirational projects that reflect state priorities and initiatives of the State in the future.

Vice Chancellor Provencher said the request will be written with language to provide flexibility in the event project funding needs to be shifted between projects.

APPROVE KSC CARLE HALL RENOVATIONS

VOTED, on recommendation of the Keene State College President, that the Investment and Capital Planning Committee, approve a \$2.3 million project budget for Carle Hall renovations, **AND FURTHER**, that the source of funds for the project will be from the allocated Board of Trustees Strategic Investment Funds.

{The Committee voted unanimously in favor of this motion }

Mr. Purcell reviewed the proposed renovations to Carle Hall at KSC. He said the \$2.3 million project will be funded from the Board of Trustees Strategic Investment. This project is a major priority for KSC and the Residential Life program. The renovation of Carle Hall is an investment in community living to improve the first-year experience, improve retention and maximize utilization of housing units. Work is scheduled to commence in the summer of 2024 and be completed by the end of the fall term. In response to a question, he explained how the work will be accomplished with students still occupying the building.

APPROVE RENOVATIONS TO UNH WOMENS' LOCKEROOM

VOTED, on recommendation of the UNH President, that the following motion be presented for consideration by the Board of Trustees
